CHANNEL ALLOCATION METHOD

SUMMARY OF SUBSTANCE OF TELEPHONE INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the telephone interview conducted on January 20, 2012, the
following summary of the substance of the telephone interview is respectfully submitted:

REMARKS

At the outset, the Applicants wish to thank the Examiner for the courtesy shown to their attorney during a telephone interview on January 20, 2012. The participants were Examiner Ghowrwal and the Applicant's representative, Douglas Agopsowicz, Reg. No. 56,792. The following includes a summary of the substance of the interview.

During the interview, the Examiner proposed amending independent claims 1, 8 and 12 to incorporate the subject matter of claim 7, to place the application in condition for allowance.

In response to the Examiner's proposal, in a follow-up telephone call to the Examiner, the Applicant's representative left a voicemail indicating that the Applicant does not wish to amend the independent claims as proposed by the Examiner at this point, and would prefer to wait for another Office Action.

Respectfully submitted,

/James Edward Ledbetter/
